

Challenge: Build a Maze

You will need:

- Straws
- Glue
- Carboard lid of a box
- Marble or small ball

How to:

- Make a specific route for your marble/ball to travel along.
- Cut the straws to different length.
- Arrange and stick the straws with glue to the cardboard box to make the corridors or your maze.
- Play a game of ball maze.

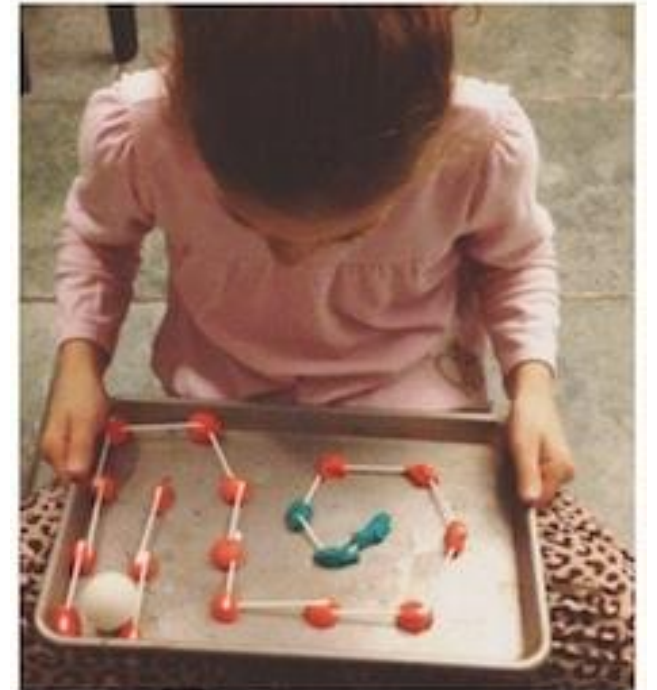

Challenge: Build a Maze

You will need:

- Cotton buds
- Playdough
- Baking tray
- Marble or small ball

How to:

- Make a specific route for your marble/ball to travel along.
- Using blobs of playdough, connect the cotton buds to make a maze for a Ping-Pong ball to travel from one side of the baking tray to the other.

Challenge: Build Duplo Maze

You will need:

- Duplo or other bricks
- Duplo board or other brick board
- Marble or small ball

How to:

- Make a specific route for your marble/ball to travel along
- Arrange Duplo bricks and connect to the Duplo board
- Play a game Duplo ball maze
