

Challenge: Sing and Sign

- Watch the video attached and enjoying singing and signing along. We would love to see photos and videos of you singing and signing. Please do email them to us.
- Please find attached Communicate In Print symbol cards.
- Place the cards on a table or blue tack or use double sided Velcro to stick onto a piece of card.
- Offer the board with symbols to the child for them to choose the song they want to sing.
- This could be explored further by offering the animal cards on the board to enable the child to choose which animal they want to add to Old MacDonald's farm.
