ON THE SEASHORE

IT TAKES TWO

Big waves and calm seas...get ready to play some watery themed music. The activities are all inspired by *Sea Sketches* by the Welsh composer Grace Williams. Our 'big musical idea' here is dynamics (playing softly or loudly)

Two is a magic number! The activities are all inspired by *Pur Ti Miro* by the Italian composer Claudio Monteverdi. It features a love duet between a King and his newly crowned Queen. Our 'big musical idea' here is call and response.
