

## Fine Motor, Feed Fred:

1. Using a plastic cup or a plastic container
2. Then add eyes to Fred and attach them, either with glue or tape to the top of the container or lid
3. Using tweezers or tongs, carefully pick up you toy insects, 1 at a time.
4. Depending on what lid you have (Fred's Face) either unscrew it and take it off or lift it up and feed Fred the insects you have caught in your tweezers by placing them in the Jar (Fred)
