Add the correct number of frogs the the lily pad

?

How to make a frog-

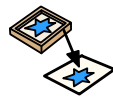

1

1. Using a cork, bottle lid or a potato, dip it in

+

green paint and print (For the frogs body)

2

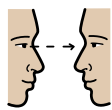

+

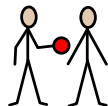

+

2. Then when dry add legs and eyes and a

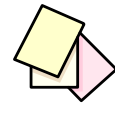

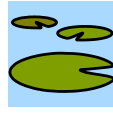

smiley face.

3

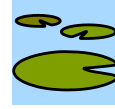

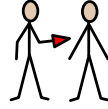

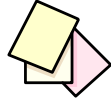

3. Cut out your frog shape

4

4. Then make some lily pads. On green paper or

whatever coloured paper you have cut out lily pad

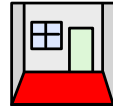

+

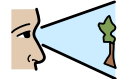

123

shapes and add numbers 1-5 or 1-10.

5

+

5. Lay the lily pads on the floor and then see

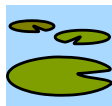

$3+1+2=$

123

if you can add the correct number of frogs to the

numbered lily pads.
