Karate

Karate is a Japanese martial art.

3

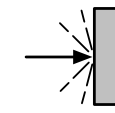

Karate means empty hand. Karate uses three basic movements of

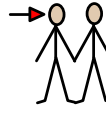

the hands and feet,

thrusts,

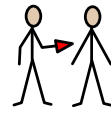

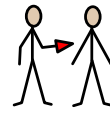

and arm strikes.

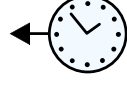

When people practise karate they wear special clothing

called a Gi, it is made up of a white suit and a coloured belt. To

get a different coloured belt you have you do through

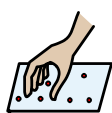

a test. Black belts have trained the longest and the hardest.

I like karate to keep me fit and healthy.
