# SEN Information Report

2023-2024

Learn to Live Federation (L2L) consists of Bidwell Brook School and Ellen Tinkham School. Both schools are maintained special schools in Devon and form a part of a Co-operative Trust with nine other special schools.

Learn to Live Federation has a clear approach to meeting the needs of pupils with special educational needs and is supported by the Local Authority (LA) and the SENTient Trust to ensure that all pupils, regardless of their specific needs, make the best possible progress in school. An SEN information report will be updated annually to reflect changes and plans within the school. The report states the current provision offered by Learn to Live Federation. Admissions to the school are in line with our Admissions Policy which is published on the school website. More detail on our commitment to high quality educational provision for all our pupils is detailed in our Teaching and Learning policy.
