

# Key Stage 1 Class News Summer 2024

## Things to note for your class

Please label your children's clothes, snacks and water bottles.

Can we ask that any 'borrowed' clothes are washed and returned as we are running short on spares, particularly girls leggings.

With the weather getting warmer, please could you apply sunscreen before your child leaves home and send in a named bottle of sunscreen, so we can re-apply this during the day. Please also provide a named sun hat.

Thank you very much.

## This Term

Cloud, Butterfly and Bee classes have enjoyed returning to school following their Easter break. We are super proud at how well they have remembered and settled back into familiar routines.

This term, our topic is 'Animals'. We will be exploring the texts 'Brown Bear Brown Bear', 'The Hungry Caterpillar', 'Noisy Dinosaurs' and 'Giraffes Can't Dance'. We will be learning about 'minibeasts', 'wild animals' and 'dinosaurs'.

However, if you see or hear any other stories or see work on Earwig other than this it is because we like to follow our children's interests with 'bespoke' learning. So, we could indeed be learning about lots of other types of animals, and reading many other beautiful books too!

Thank you for continuing to read at home with your child. Remember, you can access Earwig where we share once weekly an example of your child's learning in class that week.

As some of you know, Outdoor Education has begun as well as trampolining. Your child's teacher would have been in touch with you if your child is accessing either of these at this time. Swimming has begun for Bees and Butterflies on alternate Wednesdays and for Cloud as normal on a Thursday. If for any reason this changes, your class teacher will let you know.

We hope to go on a KS1 visit soon and will update you when we have set a date for this. This will be animal related and underpin the children's learning about this - how exciting!
